

**SBAR Ranked Number One
On
Woman-Owned Businesses List**

March 2007 – The Pacific Coast Business Times published its annual list of Woman-Owned Businesses. The list highlights the Top 25 Woman-Owned businesses in the Tri-Counties (Ventura County, Santa Barbara County and San Luis Obispo County). The rankings are based on the number of employees.

At the top of the list this year is Ventura based Santa Barbara Applied Research, Inc. (SBAR). SBAR is a Technical Services company specializing in Engineering, Information Technology, Operations and Maintenance. Clients include: NASA's Jet Propulsion Laboratory, Vandenberg Air Force Base, Pittsburgh International Air Reserve Station and the Navy at Port Hueneme.

SBAR has experienced continuous growth over the years entering the list at Number 5 in 2005.
